

High quality collar tags for your pet!

Why should you purchase a collar tag?

As well as the microchip, a collar tag helps to quickly reunite you with your lost pet. If you own a dog, under the Control of Dogs Order (1992), it is a requirement that every dog whilst in a place of public resort, must wear a collar with the name and address of its owner inscribed on it or on a plate or badge attached to it.

What styles of collar tags are available?

There are two types of collar tags available from AVID. The solid brass collar tag or for the more fashion conscious, the new styled tags with a decorative enamel design on one side. Both styles come in a small size ideal for cats or small dogs and a large size for larger dogs.
